Subject: Site 57 Draft Remedial Action Workplan. Naval Support Facility Indian Head

Mr. Rail:

Thank you for the opportunity to review the subject document. EPA has found the RTCs to be satisfactory for the purpose of this workplan. Any issues with the site can be addressed as part of future documents. EPA submits no additional comments and it is the opinion of EPA that the document can be made final and included in the Administrative Record for the Site.

If you have any questions, please contact me at 215-814-3378.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Burchette", is positioned above the printed name.
